- (d) **Same network:** As defined in Rule 6(3) of the Companies (Audit & Auditors) Rules, 2014: “Same network” includes the firms operating or functioning, hitherto or in future, under the same brand name, trade name or common control.

4. Number of Statutory Auditors

Infradebt shall decide on the number of SAs after considering the relevant factors specified in RBI guideline on Appointment of SAs, such as the size and spread of assets, accounting and administrative units, complexity of transactions, level of computerization, availability of other independent audit inputs, identified risks in financial reporting, etc.

On reaching asset size of ₹15,000 crore and above (as at the end of previous year), the statutory audit should be conducted under joint audit of a minimum of two audit firms (Partnership firms/Limited Liability Partnerships (LLPs)), subject to the limit of maximum number of audit firms specified by RBI based on the asset size of the entity.

Infradebt should ensure that joint auditors do not have any common partners and they are not under the same network of audit firms. Further, Infradebt may finalise the work allocation among SAs, before the commencement of the statutory audit, in consultation with the SAs.

5. Minimum Eligibility Criteria of Statutory Auditors

The SAs to fulfill the eligibility criteria as specified in RBI guideline on Appointment of SAs and the Companies Act, 2013, including but not limited to the eligibility criteria mentioned at Annexure 1.

In case of any concern with the Management of Infradebt such as non-availability of information/non-cooperation by the Management, which may hamper the audit process, the SAs shall approach the Board of Directors/Audit Committee of the Entity, under intimation to the concerned SSM/RO of RBI.

Note: Board shall be directly approached only when the auditors notice a matter of concern involving any member of the Audit Committee.

- (b) The audit of Infradebt and any entity with large exposure to Infradebt for the same reference year should also be explicitly factored in while assessing independence of the auditor. In this regard, the Board/Audit Committee shall see that there is no conflict of interest, and the independence of auditors is ensured.

- (c) The time gap between any non-audit works (services mentioned at Section 144 of Companies Act, 2013, Internal assignments, special assignments, etc.) by the SAs of Infradebt or any audit/non-audit works for its group entities should be at least one year, before or after its appointment as SAs. During the tenure as SA, an audit firm may provide such services to Infradebt which may not normally result in a conflict of interest, in consultation with the Board/ Audit Committee.

If an audit firm engaged with audit/non-audit works for the Group Entities (which are not regulated by RBI) is being considered by Infradebt for appointment as SAs, it would be the responsibility of the Board/ Audit Committee to ensure that there is no conflict of interest and independence of auditors is ensured, and this should be suitably recorded in the minutes of the meetings of Board/ Audit Committee.
