 **INFRADEBT**  
Leading Infrastructure Refinance

**INDIA INFRADEBT LIMITED**

# THE ADVANTAGE

## INVIGORATE

Revitalizing infrastructure projects; the competitive interest rates with longer duration further strengthens financial viability and returns. Besides, executing partial takeout of the senior debt providing structured benefits like moratorium, back-ended repayment schedule, improves the risk profile and leads to stronger credit rating for projects and upgrades their marketability to the Capital Markets.

## INSULATE

With primarily fixed rate funding, all projects stay insulated from fluctuating financial markets, which in turn improves their long term viability & profitability. This protection extends further to the investments by creating a stable risk return profile through regulatory ringfencing of asset exposure of Infradebt.

## INCREMENTAL RETURNS

There's always room for improvement, even at the top. Competitive interest rates coupled with structured benefits lead to sustained cash flows. This improves project valuations and transforms them into attractive investment opportunities for investors.

## INVIOLEABLE COMMITMENT

Built on strong foundations, the Infradebt IDF-NBFC framework was conceived by the Ministry of Finance and it has been operationalised by four of India's leading financial institutions - ICICI Bank, Bank of Baroda, Citicorp Finance (India) Ltd. and Life Insurance Corporation of India.

# INFRASTRUCTURE DEBT FUND

Created under the Non Banking Financial Company (NBFC) framework, Infrastructure Debt Fund (IDF-NBFC) provides an alternative channel of infrastructure funding by bringing in long-term investors. These include domestic and offshore institutions like insurance companies, mutual funds, provident and pension funds seeking reliable investments. Raising resources through rupee or dollar denominated bonds of minimum five year maturity, IDF-NBFC refinances the existing debt of infrastructure projects which have completed one year of commercial operations. Investing in Public Private Partnership (PPP) Projects, IDF-NBFC executes a Tripartite Agreement with the

Concessionaire and the Concessionary Authority, the confirming party being the existing lenders. IDF-NBFC can also invest in Non-PPP projects which have completed one year of commercial operations (without Tripartite Agreement). With relatively lower risk assets, IDF-NBFC carries the advantage of a concession on credit concentration norms along with 100% income tax exemption, making it an ideal choice for institutions considering stable long-term earnings. With strong financial expertise, India Infradebt Limited (Infradebt) is the first IDF-NBFC that creates a win-win for both Investors and Projects alike.

## REFINANCING FRAMEWORK

## ABOUT US

Formed with the objective of refinancing the existing debt of Public Private Infrastructure Projects and rebuilding their long term financial resilience, Infradebt is a joint venture among four of India's leading financial institutions. Built on sound business practices, Infradebt has received a long-term domestic credit rating of AAA with stable outlook awarded by 3 leading rating agencies – CRISIL (majority owned by S&P), ICRA (majority owned by Moody's), India Ratings (100% subsidiary of FITCH).

<sup>1</sup>As per Section 10(47) of the Income Tax Act, 1961, income of Infradebt does not form part of total income and hence is exempt from income tax.

## ANALYSIS OF THE FINANCIAL PERFORMANCE & DIVIDEND

In FY2017, Infradebt has made profit of ₹481.0 million as compared to profit of ₹292.4 million in FY2016. During FY2017, the income from operations was ₹3,144.0 million against ₹1,241.6 million of FY2016.

Infradebt proposes to transfer ₹96.2 million (Previous year: ₹58.5 million) to Special Reserve created u/s 45-IC of Reserve Bank of India Act, 1934 and carry forward ₹1,024.4 million (Previous year: ₹639.6 million) to the Balance Sheet.

Infradebt's Dividend Policy is based on the financial performance in the year, Statutory/ Regulatory requirements relating to minimum capital adequacy and Credit rating agencies' requirements relating to maximum leverage. Given the financial performance for FY2017 and in line with the Dividend Policy, your Directors are happy to recommend payment of a maiden dividend of ₹0.29 per equity share for FY2017.

The payment of the final dividend is subject to declaration by the Members at the ensuing Annual General Meeting.

## MATERIAL CHANGES AND COMMITMENTS, IF ANY, AFFECTING THE FINANCIAL POSITION OF INFRADEBT

Infradebt has completed its maiden Rights Issue and allotted 24,99,99,999 Equity Shares of face value of ₹10 each at an issue price of ₹14.40 each on April 4, 2017 (i.e. at a premium of ₹4.40 per share), thus increasing the net worth by ₹3.60 billion.

There have been no other material changes and commitments, if any, affecting the financial position of Infradebt which have occurred between the end of the financial year of Infradebt to which the financial statements relate and the date of the report.

## MANAGEMENT DISCUSSION AND ANALYSIS REPORT

The Management Discussion and Analysis Report is enclosed as Annexure – 1.

## DIRECTORS' REPORT CONTD....

### AUDITORS' REPORT

The Auditors' Report to the Members does not contain any qualification. The Notes to the Accounts referred to in the Auditors' Report are self-explanatory and do not call for further comments.

### SECRETARIAL AUDIT REPORT

The secretarial audit report obtained from M/s. Jaiprakash R. Singh & Associates, Company Secretaries is enclosed with this report as Annexure - 5. The secretarial audit report does not contain any qualification.

### PARTICULARS OF LOANS, GUARANTEE OR INVESTMENT

Infradebt being an NBFC, the provisions of the Section 186 of the Companies Act, 2013 relating to the loans, guarantee or investment are not applicable.

### RISK MANAGEMENT POLICY AND INTERNAL ADEQUACY

Infradebt has in place a Progressive Risk Management system to identify, assess, monitor and mitigate various risks to key business objectives on an on-going basis. Various Risk Management Policies are reviewed on an annual basis at the Board level. Major risks identified by the businesses and functions are systematically addressed through mitigating actions on a continuing basis. These are discussed at the meetings of the Audit Committee, Board Credit & Risk Committee and the Board of Directors of the Company. Enhanced risk analysis is done for the new sectors which have been allowed to be refinanced by the Reserve Bank of India. Infradebt has adequate internal controls and processes in place with respect to its financial statements which provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements. These controls and processes are driven through various policies, procedures and certification from statutory auditors. These internal control systems are also reviewed by the internal auditors annually. Significant audit observations and follow up actions thereon are reported to the Audit Committee and Board of Directors.

### RELATED PARTY TRANSACTIONS

Infradebt has formed a Board approved Policy on Related Party Transactions in line with the requirements of Companies Act, 2013. The Policy provides a framework for proper approval and reporting of transactions between Infradebt and its related parties. The Policy has been hosted on the website of Infradebt.

All Related Party Transactions that were entered into during the financial year were on an arm's length basis and were in the ordinary course of business. Accordingly, the disclosure of Related Party Transactions as required under Section 134(3) (h) of the Companies Act, 2013 in form AOC 2 is not applicable.

### CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION, FOREIGN EXCHANGE EARNINGS AND EXPENDITURE

## ANNEXURE 1

### MANAGEMENT DISCUSSION AND ANALYSIS REPORT

#### a) Industry structure and developments

As you are aware, under the framework laid down by the Ministry of Finance and Reserve Bank of India (RBI), India Infradebt Limited (Infradebt) has been in the business of refinancing/ take-out financing of operating infrastructure projects.

During the last three full years of its operations, Infradebt has been playing a pivotal role in the infrastructure financing space and has widened its footprint in financing projects in transportation and renewable energy sectors.

Despite the challenges such as competition from other participants in the financing market, competitive pricing etc., Infradebt has been successful in improving its market share in the refinancing of infrastructure projects.

The revised guidelines announced by RBI in October 2015 allowing IDF-NBFCs to invest in non-PPP projects and PPP projects without a project authority also in addition to the earlier framework of refinancing only PPP projects with a tripartite agreement have offered Infradebt wider credit/investment opportunities across the entire infrastructure space and are helping Infradebt in diversification of its asset book.

As per the revised guidelines, along with the transportation sector, Infradebt has included renewable energy sector (wind and solar), hydro power, power transmission and few other select infrastructure sectors as its additional focus areas for investment/ lending. Currently, Infradebt has ~32% of its asset book contributed through lending/investing in debt facilities in the Non-PPP projects whereas the balance asset portfolio of ~68% is contributed by projects under the PPP framework with a tripartite agreement.

In order to have a healthy mix of assets and achieve targeted profitability, Infradebt shall be diversifying its assets by nature (tripartite/ non-tripartite), sponsor groups, geographies, sectors etc. This would insulate the asset portfolio from adverse changes in a particular class of assets.

#### b) Opportunities and Threats

**Opportunities** – With greater emphasis on infrastructure development by the Government, role of private investments is expected to significantly increase in the Infrastructure sector. Announcement of large volume of projects under private investment route, coupled with existing pipeline of completed and under-construction projects is likely to translate into wider opportunities for refinancing in the infrastructure space. In this regard, Infradebt endeavours to also partner with Banks (including shareholders), NBFCs and other financial institutions to undertake refinancing/take out financing initiatives. Project sponsors for completed projects are replacing their existing project debt by lower cost and longer tenure debt to increase the viability of the projects. Infradebt plans to be a significant participant in providing competitively priced financing to these projects.

With the increase in the equity capital by ₹ 3.60 billion (w.e.f. April 4, 2017), Infradebt will leverage the same effectively to harness the aforesaid opportunities.

While the overall market for takeout financing by Infradebt has thus increased significantly, Infradebt would be prudent by focusing primarily on refinancing of PPP projects and Non-PPP projects such as renewable energy (wind, solar, and selectively hydro) projects, power transmission, hotels and hospitals etc. and keeping away from some sectors like thermal power.

Infradebt has ensured that the aforesaid changes in the business plan have been undertaken in discussion with the credit rating agencies to safeguard and maintain the current credit rating of 'Highest Safety' AAA.

**Threats** – Aggressive pricing by banks, infrastructure finance companies and other IDFs and volatility in capital markets for capital raising could adversely impact the margins on Infradebt's asset portfolio. The credit risk in projects without the tripartite agreement is likely to be higher compared to projects with tripartite agreement. Success of IDFs is significantly dependent on a facilitative regulatory framework; any adverse changes in the regulatory framework can have an impact on the profitability of Infradebt.

## ANNEXURE 1 CONTD....

### c) Segment-wise or product-wise performance

Till March 31, 2017, Infradebt has disbursed ₹ 32.28 billion to 22 road projects under the PPP framework (backed by a tripartite agreement) and ₹ 15.02 billion to 20 projects under the Non-PPP framework i.e., renewable energy and other sectors.

The asset book as at the end of FY2017 stood at ₹ 45.59 billion, after adjusting for redemption/repayment of facilities during the year.

Till March 31, 2017 Infradebt has raised a total of ₹ 42.05 billion of funds from the debt capital market. The fund-raising commenced in FY2015 with issuances of senior secured NCDs aggregating ₹ 5.50 billion and an issuance of subordinated unsecured NCDs of ₹ 1.60 billion. This was followed up by issuances of senior secured NCDs aggregating ₹ 14.60 billion in FY2016 and ₹ 20.35 billion in FY2017. All the above issuances were rated AAA by leading domestic credit rating agencies. These issuances were subscribed by a wide variety of investors, including insurance companies, pension funds, mutual funds among others.

### d) Outlook

Based on the assessment of the projects completed and projects under construction under PPP and non-PPP format, both transportation and renewable energy remain the largest target sectors for Infradebt due to the presence of sizeable operational projects. Apart from the above, new opportunities have opened up in other sub-sectors of infrastructure like hospitals, hotels and power transmission.

Infradebt proposes to continue raising long terms funds from insurance companies, pension funds, mutual funds and other market participants.

### e) Risks and concerns

Of the various business and financial risks faced by Infradebt, four key risks can be highlighted – credit risk, liquidity risk, interest rate risk and regulatory risk. The credit strength is mainly reflected by the highest credit rating of AAA with stable outlook accorded by three leading rating agencies – CRISIL, ICRA and India Ratings – for its debt. Infradebt maintains strong credit standards and filters to ensure that asset quality remains robust. Stringent credit appraisal framework ensures the minimization of credit risk. As the Reserve Bank of India has allowed additional sectors to be refinanced by IDF-NBFCs, in addition to the PPP projects backed by the tripartite agreement, Infradebt will be required to manage higher degree of risks with respect to these new sectors, though the benefit of risk diversification will also accrue on this account.

The asset-liability risk arises mainly out of the regulatory requirement of minimum-5 year maturity of the borrowings and credit market's practice of annual interest rate resets of the assets. This mismatch is partly offset by the relaxation provided by Reserve Bank of India to allow IDF-NBFCs to raise less than five year maturity of the borrowings to the extent of 10% of the overall outstanding borrowing. The liquidity risk is low, until the NCD repayments commence from May 2019 onwards. The interest rate risk arises out of fixed-rate borrowings undertaken to fund the variable and semi-fixed rate investments within the overall asset portfolio. There is an additional risk of the bank base rates and/or MCLR falling more significantly than the wholesale borrowing rates of Infradebt which leads to the pressure on the interest margins for Infradebt. There is a regulatory risk of material changes in guidelines issued by RBI or government institutions.

Infradebt is conscious of the environment and the social impacts of the infrastructure projects which it refinances and endeavours to mitigate the same to the extent possible. As Infradebt can only refinance projects which have completed one year of operations, the environment and social risks of such completed projects are low and of assessable level.

### f) Internal control systems and their adequacy

Infradebt has adopted adequate internal control and risk management systems to ensure compliance to internal policies and external regulations. These pertain to compliance with NBFC guidelines of RBI, guidelines issued by Ministry of Finance, and timeliness and accuracy of reporting to RBI. The internal control mechanism involves ensuring adequate checks and balances for all major decisions, requires adequate Board oversight for all significant decisions and warrants Board control for all critical measures. Infradebt has adopted various policies (viz. credit and recovery policy, interest rate policy) that are approved by the Board.

**ANNEXURE 1 CONTD....****g) Discussion on financial performance with respect to operational performance**

During the year under review, Infradebt made disbursements (under takeout/re-financing from existing lenders) to 26 project companies in the infrastructure sector, aggregating to ₹ 23.21 billion. Infradebt raised funds through the issuance of NCDs aggregating to ₹ 20.35 billion. A wide range of investor class subscribed to these issuances viz. insurance companies, pension funds, mutual funds, provident funds and corporates.

In FY2017, Infradebt has made profit of ₹ 481.0 million as compared to profit of ₹ 292.4 million in FY2016. During FY2017, the income from operations was ₹ 3,144.0 million against ₹ 1,241.6 million in FY2016.

**h) Material developments in Human Resources / Industrial Relations front, including number of people employed**

The human resources are a key component of Infradebt's business plan. Accordingly, there is a performance-based remuneration system for ensuring employee satisfaction and retention. As of March 31, 2017, there were 17 employees in the company.

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,  
The Members  
INDIA INFRADEBT LIMITED  
ICICI Bank Towers,  
Bandra-Kurla Complex  
MUMBAI-400051.

Dear Sirs,

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by INDIA INFRADEBT LIMITED (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon. Based on our verification of the books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period ended on 31<sup>st</sup> March, 2017, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

1. I have examined the books, papers, minute books, forms and returns filed and other records maintained by INDIA INFRADEBT LIMITED ("The Company") for the period ended on 31<sup>st</sup> March, 2017, according to the provisions of:
  - I. The Companies Act, 2013 (the Act) and the Rules made thereunder;
  - II. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') as amended till date to the extent applicable to the Company:-
    - a) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; Listing Agreement; and Securities & Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.
    - b) Bye Laws of Stock exchange.
  - III. Applicable RBI regulations to the Company:
    - a) RBI Act, 1934. (Master Circulars issued by RBI to the extent to Infra Debts).
    - b) Non- Banking Finance Companies Regulations issued by the Reserve Bank of India (RBI)
  - IV. Other applicable laws.
    - a) The Bombay Shops and Establishments Act, 1948;
    - b) The Payment of Gratuity Act, 1972;
    - c) The Employees Provident Funds and Miscellaneous Provisions Act, 1952;
    - d) The Payment of Wages Act, 1936;
    - e) Professional Tax Act, 1975;
    - f) The Negotiable Instruments Act, to the extent of Section 138;
    - g) The Memorandum and Articles of Association.
2. I have also examined compliance with the applicable clauses of the following:
  - i) Secretarial Standards issued by The Institute of Company Secretaries of India.
  - ii) The Listing Agreement entered into by the Company with the BSE Limited.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

## ANNEXURE 5 CONTD....

During the Course of Secretarial Audit, I have relied on the representation made by the Company and its various heads for systems and mechanism formed by the Company for compliances under other applicable Acts, Laws and Regulations to the Company.

During the audit, I have checked various documents submitted to me and relied on the Compliance Certificates submitted by the Managing Director & CEO, Head – Risk & Compliance and Chief Financial Officer to the Board of Directors confirming the compliances with all applicable Acts, Laws and Regulations to the Company.

3. I further report that the Company has, in my opinion, complied with the provisions of the Companies Act, 1956 and the Rules made under that Act and the provisions of Companies Act, 2013 as notified by Ministry of Corporate Affairs and the Memorandum and Articles of Association of the Company, with regard to:

  - l) appointment and remuneration of Auditors ;
  - m) borrowings and registration, modification and satisfaction of charges wherever applicable;
  - n) Investment of the Company's funds including Investments.

During the period under review, the Company has complied with the provisions of the Acts, Rules, Regulations, Guidelines, Standards, etc. as mentioned above.

4. I further report that:
- The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.
- Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent generally at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.
  - Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes.
5. I further report that:
- Based on the information received and records maintained there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

# INDEPENDENT AUDITOR'S REPORT

To the Members of India Infradebt Limited

## REPORT ON THE FINANCIAL STATEMENTS

We have audited the accompanying financial statements of India Infradebt Limited (the "Company"), which comprise the Balance Sheet as at March 31, 2017, the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

## MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 (the "Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the Companies (Accounting Standards) Amendment Rules, 2016. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial control that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

## AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder. We conducted our audit in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India, as specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

## OPINION

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2017, its profit, and its cash flows for the year ended on that date.

## REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by the Companies (Auditor's report) Order, 2016 (the "Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure 1 a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by section 143 (3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
  - (b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

## INDEPENDENT AUDITOR'S REPORT

- (c) The Balance Sheet, Statement of Profit and Loss, and Cash Flow Statement dealt with by this Report are in agreement with the books of account;
- (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the Companies (Accounting Standards) Amendment Rules, 2016;
- (e) On the basis of written representations received from the directors as on March 31, 2017, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2017, from being appointed as a director in terms of section 164 (2) of the Act;
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure 2" to this report;
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Company does not have any pending litigations which would impact its financial position;

## ANNEXURE 2

### **ANNEXURE 2 TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF INDIA INFRADEBT LIMITED**

#### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

To the Members of India Infradebt Limited

We have audited the internal financial controls over financial reporting of India Infradebt Limited (the "Company") as of March 31, 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date

#### **Management's Responsibility for Internal Financial Controls**

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

## ANNEXURE 2 CONTD....

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

### **Explanatory paragraph**

We also have audited, in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India, as specified under Section 143(10) of the Act, the financial statements of India Infradebt Limited, which comprise the Balance Sheet as at March 31, 2017, and the related Statement of Profit and Loss and Cash Flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information, and our report dated April 21, 2017 and expressed an unqualified opinion thereon.

# SIGNIFICANT ACCOUNTING POLICIES

## and Notes to Accounts

### I. CORPORATE INFORMATION

India Infradebt Limited (the "Company") was incorporated on October 31, 2012 in Mumbai, India to carry out the business of a specialized financial institution classified as an Infrastructure Debt Fund- Non-Banking Financial Company under the Infrastructure Debt Fund- Non-Banking Financial Companies (Reserve Bank) Directions, 2011 of Reserve Bank of India (RBI). The Company's principal activity is to re-finance/ take-out part of the debt liabilities of the infrastructure projects (subject to each such project company completing the construction/implementation of the Infrastructure Project undertaken by it and satisfactorily operating the same for at least one year from completion of construction/implementation) in order to accelerate and enhance the flow of long term debt in infrastructure projects.

### II. BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The financial statements of the Company have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP). The Company has prepared these financial statements to comply in all material respects with the accounting standards notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules 2014, Companies (Accounting Standards) Amendment Rules, 2016 and the provisions of the Reserve Bank of India as applicable to a Non-Banking Financial Company. The financial statements have been prepared on an accrual basis and under the historical cost convention. The presentation and disclosures in these financial statements are in accordance with Schedule III of the Companies Act, 2013.

The accounting policies adopted in the preparation of financial statements are consistent with those of previous year.

#### 1. Significant accounting policies :

##### A. Use of estimates

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosures of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

##### B. Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured

Interest income on investments and loan & advances is recognized on a time proportion basis taking into account the amount outstanding and applicable interest rate except for non- performing assets where, it is recognized upon realization, as per the income recognition and assets classification norms of RBI.

Fee income including processing fees is accounted for upfront when it becomes due.

##### C. Fixed assets

Fixed assets including intangible assets are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price and directly attributable cost of bringing the asset to its working condition for the intended use.

Subsequent expenditure related to an item of fixed asset is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing fixed assets, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the period during which such expenses are incurred.

Gains or losses arising from de-recognition of a fixed asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

## SIGNIFICANT ACCOUNTING POLICIES CONTD....

**D. Depreciation and amortization**

Depreciation on plant, property and equipment is calculated on a straight-line basis using the rates arrived at, based on the useful lives estimated by the management. Intangible assets are amortized on a straight line basis over the estimated useful economic life. The Company has used the following useful lives to provide depreciation on its plant, property and equipment.

Particular	Useful lives estimated by the management (years)
Computers	3
Vehicles	5
Software	4

The management has estimated, supported by independent assessment by professionals, the useful lives of Vehicles are depreciated over the estimated useful lives of 5 years, which are lower than those indicated in schedule II.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

**E. Loans & advances**

Loan & advances are classified into performing and non-performing advances ('NPAs') as per the RBI guidelines and are stated net of specific provisions made towards NPAs. Further, NPAs are classified into sub-standard, doubtful and loss assets based on the criteria stipulated by the RBI. Provisions for NPAs are made at rates as prescribed by the RBI.

**F. Investments**

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties.

These investments are valued in accordance with the RBI guidelines and the Accounting Standard (AS) 13 on 'Accounting for Investments'. Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at their acquisition cost or at amortised cost, if acquired at a premium/discount, over/under the face value. Any premium/discount, over/under the face value of investments acquired is amortised over the remaining period to maturity on straight line basis.

However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments. On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

**G. Provisions**

A provision is recognized when the Company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

**H. Retirement and other employee benefits**

- i. Retirement benefits in the form of provident fund is a defined benefit contribution scheme and the contributions are charged to the statement of profit and loss of the year when the contributions to the respective funds are due. There are no obligations other than the contribution payable to the provident fund. The Company recognizes contribution payable to the provident fund schemes as an expenditure, when an employee renders the related service.
- ii. Gratuity liability is defined benefit obligation and is provided for on the basis of an actuarial valuation using the projected unit credit method, made at the end of each year. Actuarial gains and losses for defined benefit plan are recognized in full in the period in which they occur in the statement of profit and loss of the year.

## SIGNIFICANT ACCOUNTING POLICIES CONTD....

- iii. Accumulated leave, which is expected to be utilized within the next 12 months, is treated as short-term employee benefit. The Company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date.
- iv. The Company treats accumulated leave expected to be carried forward beyond twelve months, as long-term employee benefit for measurement purposes. Such long-term compensated absences are provided for based on the actuarial valuation using the projected unit credit method at the year end. Actuarial gains/losses are immediately taken to the statement of profit and loss and are not deferred.
- v. The Company recognizes long term incentive benefit as a liability and an expense when the Company has a present obligation as a result of past event. If this benefit falls due more than 12 month after the balance sheet date, they are measured at present value of the future cash flow using the discount rate determined by reference to market yields at the balance sheet date on government bond.

**I. Income taxes**

As per Section 10(47) of the Income Tax Act, 1961 (the "Act") income of the Company do not form part of total income and hence is exempt from income tax. Hence, no provision for tax has been made in the books of accounts. (Refer note 2V)

**J. Earnings per share**

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are not adjusted since there are no dilutive potential equity shares.

**K. Contingent liabilities**

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

**L. Cash and cash equivalents**

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and short-term investments with an original maturity of three months or less.

**M. Borrowing cost**

Borrowing cost includes interest and amortization of ancillary costs incurred in connection with the arrangement of borrowings.

## 2R. EARNINGS PER SHARE

In accordance with the Accounting Standard 20 on 'Earnings Per Share' issued by the Institute of Chartered Accountants of India, basic earnings per share and diluted earnings per share is computed using the weighted average number of shares outstanding during the year. For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are not adjusted since there are no dilutive potential equity shares.

The following table sets forth, for the periods indicated, the computation of earnings per share.

Particulars	Year ended March 31, 2017	Year ended March 31, 2016
Net profit after tax (₹ in '000)	4,81,000	2,92,387
