- (vi) Institutional set-up for liquidity risk management

India Infradebt Limited (Infradebt) has an Asset Liability Management Committee (ALCO), a management level committee to handle liquidity risk management. At least four meetings of ALCO are conducted in a financial year. The Board Risk Management Committee (BRMC), a sub-committee of the Board of Directors of the Company oversees the liquidity risk management. The BRMC subsequently updates the Board of Directors on the same. Infradebt has a Board approved Liquidity & Interest Rate Risk Policy which covers the aspect of Liquidity Risk Management, Interest Rate Risk Management, Resource Planning & Funding Strategies, Stress Testing & Contingency Funding Plan and Management Information System.

Notes:

1. Excluding EIR adjustments and accrued interest.
2. The Company has borrowed funds through a single instrument/product i.e. Non-Convertible Debentures.
3. Total liability refers to total outside liability i.e. Balance Sheet total excluding Share Capital and Reserve.
4. Other Short-Term liabilities include current maturities of long-term debentures.
